ONE VOICE SINCE 1898

What to Expect

At a typical trade show, success is defined by collecting a couple dozen meaningful business cards in your fishbowl. Maybe it's a 5-minute conversation with your top customer – that is IF they attend and IF you can coax them away from walking down the middle of the aisle.

How many times have you attempted to justify the return on investment for raffling off the latest techno gizmo only to have your competitor offer that same gizmo (version 2.0 of course)? Tired of standing in your 10 x 10 assigned space among 500 other companies competing for the attention of a handful of customers?

BREAK AWAY FROM THE TYPICAL TRADE SHOW EXPERIENCE

At the CGA Strategic Conference, we have turned the typical trade show experience into a uniquely productive opportunity to gain meaningful meetings with some of your top customers.

- Want to showcase your new products in a 10 x 10 display space? Yes, we offer that, but how about pairing this with pre-scheduled, face-to-face meetings with category buyers from California's top grocery retailers?

- Prefer to have your own customized meeting room that allows you to design the space that reflects your brand and product displays? We offer that AND we bring the customers to you.
- Or prefer a more exclusive, customized opportunity to promote your company without clutter and provide integrated sampling opportunities. You've hit the right spot.

Not only that, but CGA packs in multiple, quality networking opportunities and top caliber educational sessions to create a highly productive three-day event to help build your business with California's retail grocers.

Who Attends

The CGA Strategic Conference is the most productive, well-attended, annual gathering of the California grocery industry. Each year, CGA brings together senior-level executives and category buyers representing the broad spectrum of California's grocery industry for this one-of-a-kind, business-building conference.

“Still one of the best conferences to meet with the appropriate vendors and brokers in a setting that is conducive to developing long-term relationships that create current and future opportunities to build sales and revenue.”

Mike O'Donnell, Exec. Dir., Grocery Procurement,

Sponsorship

We understand that your time out of the office needs to be productive. How does multiple, pre-scheduled appointments with many of your top partners sound? More than 1,000 pre-scheduled business meetings, engaging displays and various networking events provide a productive and efficient way to build your connections and optimize your time at the conference.

“There is no other conference where one is able to learn nearly as much about the current state of the CA grocery industry, as this one. That and the fact that you leave the conference with a very thorough understanding of the marketing strategies for major manufacturers & suppliers, for the following year. The entire conference is extremely well planned, and executed.”

Kurt Erickson, Chief Operating Officer,
Vallarta Supermakets
